

Always (2009 Mix)

Erasure

Open your eyes, I see
Your eyes are open
Wear no disguise for me
Come into the open When it's cold (When it's cold) outside (outside)
Am I here in vain?
Hold on to the night
There will be no shame Always, I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always) I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always)
Melting the ice for me
Jump into the ocean
Hold back the tide, I see
Your love in motion When it's cold (When it's cold) outside (outside) Am I here in vain?
Hold on to the night
There will be no shame
Always, I wanna be with you
And make believe with you (Always)
And live in harmony, harmony oh love
(Always) I wanna be with you (Always)
And make believe with you (Always)
And live in harmony, harmony oh love
(Always)
When it's cold (When it's cold) outside (outside)
Am I here in vain?
Hold on to the night (When it's cold in the night)
(Where the new love grows) There will be no shame (no shame) Always, I wanna be with you
And make believe with you
And live in harmony, harmony oh love (the leaves are falling down) (Always) I wanna be with
you
And make believe with you
And live in harmony, harmony oh love
(Always) I wanna be with you
And make believe with you
And live in harmony, harmony oh love (all the leaves are falling down) (Always) I wanna be
with you
And make believe with you
And live in harmony, harmony oh love
(Always) I wanna be with you

And make believe with you
And live in harmony, harmony oh love (all the leaves are falling down)(Always) I wanna be
with you
