Nina Diaz

Every time I try to find another place to stay
Every time I try to look away, you seem to cave
Oh, in the back of my mind
in the back of my mind
Every time I try to walk away, I scream your name
Every time I try to look away, you're still the same
Oh, in the back of my mind
In the back of my mind
I don't want to be the bad one
I don't want to be the sad one that you find
you find
I don't want to be the bad one
I don't want to be the sad one that you find
Pray into a picture rememberin' all you say
Pray into a figure there is no one that i blame
Oh in the back of my mind
In the back of my mind
I am just a wish upon a genie that you stole
I am just the one that you'll throw away in the cold
Oh, in the back of your mind
In the back of your mind
I don't want to be the bad one
I don't want to be the sad one that you find
you find
I don't want to be the bad one
I don't want to be the sad one that you find
Go on, dream fast
Go on, dream fast
I don't want to be the bad one
I don't want to be the sad one that you find
you find
I don't want to be the bad one
I don't want to be the sad one that you find
Oh, oh, oh, ohh
