## Nina Diaz

Every time I try to find another place to stay  
Every time I try to look away, you seem to cave  
Oh, in the back of my mind  
in the back of my mind  
Every time I try to walk away, I scream your name  
Every time I try to look away, you're still the same  
Oh, in the back of my mind  
In the back of my mind  
I don't want to be the bad one  
I don't want to be the sad one that you find  
you find  
I don't want to be the bad one  
I don't want to be the sad one that you find  
Pray into a picture rememberin' all you say  
Pray into a figure there is no one that i blame  
Oh in the back of my mind  
In the back of my mind  
I am just a wish upon a genie that you stole  
I am just the one that you'll throw away in the cold  
Oh, in the back of your mind  
In the back of your mind  
I don't want to be the bad one  
I don't want to be the sad one that you find  
you find  
I don't want to be the bad one  
I don't want to be the sad one that you find  
Go on, dream fast  
Go on, dream fast  
I don't want to be the bad one  
I don't want to be the sad one that you find  
you find  
I don't want to be the bad one  
I don't want to be the sad one that you find  
Oh, oh, oh, ohh
