

# I'll Try

Alan Jackson

Here we are, talkin' 'bout forever  
Both know damn well, It's not easy together  
We've both felt love, we've both felt pain  
I'll take the sunshine over the rain And I'll try

To love only you

And I'll try

My best to be true

Oh darling, I'll try

So I'm not scared, it's worth a chance to me

Take my hand, let's face eternity

Well, I can't tell you that I'll never change

But I can swear that in every way that I'll try

To love only you

And I'll try

My best to be true

Oh darling, I'll try I'm not perfect, just another man

But I will give you all that I am

And I'll try

To love only you

And I'll try

My best to be true

Oh darling, I'll try
