For the First Time

Kenny Loggins

Are those your eyes? Is that your smile? I've been lookin? at you forever Yet I never saw you beforeAre these your hands Holdin' mine? Now I wonder how I could've been so blind For the first time I am looking in your eyesFor the first time I? m seein' who you are I can't believe how much I see When you're lookin? back at me Now I understand what love is Love is for the first time Can this be real? Can this be true? Am I the person I was this morning? And are you the same you? It's all so strange How can it be? All along this love Was right in front of meFor the first time I am looking in your eyes For the first time I? m seein' who you are I can't believe how much I see When you're lookin? back at me Now I understand what love is Love is for the first time Such a long time ago I had given up on findin' This emotion ever again But you? re here with me now Yes, I've found you some how And I've never been so sure And for the first time I am looking in your eyes For the first time I? m seein' who you are I can't believe how much I see When you're lookin? back at me Now I understand what love is

Love is for the first time
