

# Unashamed

## Building 429

I am unashamed  
oh oh oh oh  
oh oh oh oh oh  
I am unashamed  
oh oh oh oh  
oh oh oh oh oh  
I've been down and broken  
But I believe what you've spoken  
you make all things new  
I've witnessed your mercy  
Sturred up all of your glory  
and none compared to you  
I can't help but speak of the things you've done  
So let my life proclaim  
I am unashamed  
oh oh oh oh  
oh oh oh oh oh  
I won't hide your name  
oh oh oh oh  
so all the world will know  
that you  
you are all that I live for  
Jesus  
I am unashamed  
Where your hands are reaching  
is where you'll always find me  
cause your love makes me move  
to speak the words you're speaking  
to be the hope the wold has needed  
in everything I do  
Here in the light of what you've done  
let my life proclaim  
I am unashamed  
oh oh oh oh  
I won't hide your name  
oh oh oh oh  
So that all the world will know  
you're all that I live for  
Jesus  
I am unashamed  
so let the waters rise  
let the mountains shake

we lift our anthem high  
so let the waters rise  
let the mountains shake  
we lift our anthem high  
unashamed  
so let the waters rise  
let the mountains shake  
we lift our anthem high  
unashamed  
so let the waters rise  
let the mountains shake  
we lift our anthem high  
unashamed  
I am unashamed  
oh oh oh oh  
I won't hide your name  
oh oh oh oh oh  
So that all the world will know  
that you  
you are all that I live for  
Jesus  
I am unashamed  
oh oh oh oh  
I will shout your name  
oh oh oh oh oh  
so all the world will know  
that you  
your all that I live for  
Jesus  
I am unashamed
