

# The World I Know

## Collective Soul

Has our conscience shown?  
Has the sweet breeze blown?  
Has all the kindness gone?  
Hope still lingers on  
I drink myself of new found pity  
Sitting alone in New York City  
And I don't know why Are we listening  
To hymns of offering.  
Have we eyes to see  
That love is gathering?  
All the words that I've been reading  
Have now started the act of bleeding  
Into one, into one  
So I walk up on high  
And I step to the edge  
To see my world below  
And I laugh at myself  
While the tears roll down  
'Cause it's the world I know  
Oh it's the world I know I drink myself of newfound pity  
Sitting alone in New York City  
And I don't know why, don't know why So I walk up on high  
And I step to the edge  
To see my world below  
And I laugh at myself  
While the tears roll down  
'Cause it's the world I know  
Oh it's the world I know  
Yeah, I walk up on high  
And I step to the edge  
To see my world below  
And I laugh at myself  
While the tears roll down  
'Cause it's the world I know  
Oh it's the world I know
