

# Twin Skeleton's (Hotel In NYC)

## Fall Out Boy

There's a room in a hotel in New York City  
That shares our fate and deserves our pity  
I don't want to remember it all  
The promises I made if you just hold on  
Hold on, hold on, hold on, hold on I just need enough of you to dull the pain  
Just to get me through the night 'til we're twins again  
'Til we're stripped down to our skeletons again  
'Til we're saints just swimming in our sins again  
And there's a jet black crow droning on and on and on  
Up above our heads droning on and on and on  
Keep making trouble 'til find what you love  
I need a new partner in crime and you, you shrug  
That there's a room in a hotel in New York City  
That shares our fate and deserves our pity  
I don't want to remember it all  
The promises I made if you just hold on  
Hold on, hold on, hold on, hold on  
A birth and a death on the same day And honey I only appeared so I can fade away  
I wanna throw my hands in the air and scream  
And I could just die laughing on your spiral of shame  
And there's a jet black crow droning on and on and on  
Up above our heads droning on and on and on  
Hit it never quit it I have been through the wreck  
But I can string enough to show my face in the light of day  
There's a room in a hotel in New York City  
That shares our fate and deserves our pity  
I don't want to remember it all  
The promises I made if you just hold on  
Hold on, hold on, hold on, hold on  
Hold on, hold on, hold on  
Hold on, hold on, hold on, hold on  
Hold on, hold on, hold on  
Hold on, hold on, hold on, hold on
