## **Hands of Time**

## **Groove Armada**

Keep looking through the window pane
Just trying to see through the pouring rain
Its hearing your name, hearing your nameI really never felt quite the same
Since I've lost what I had to gain
No one to blame, no one to blameSeems to me, can't turn back the hands of time
Oh, it seems to me, can't turn back the hands of timeKeep looking through the window pane
Just trying to see through the pouring rain
Its hearing your name, hearing your name
I really never felt quite the same
Since I've lost what I had to gain
No one to blame, no one to blame
Seems to me, can't turn back the hands of time
Oh, it seems to me, can't turn back the hands of time
Seems to me, can't turn back the hands of time
