

# Oh Oh

## Linkoban

Oh oh  
Oh oh I wanna meet man  
Wanna meet a good man  
Good man fight for girl  
Pretty good girl go make her man want her bad  
Never gain weight  
Never make her man sad  
Ten thousand miles I would go  
He isn't home  
Where is he oh no  
Is he with another good girl prettier than me  
Oh oh  
Oh oh  
I wanna meet man  
Wanna meet a good man  
Good man fight for girl  
Pretty good girl go make her man feeling good  
Make him lie down like a pretty girl should  
Heaven died and sun go gone  
Girl so sad  
Don't wanna be alone  
But sad girls cry and pretty girls don't  
Oh oh  
Oh oh I will never let him go (never let him go)  
I will never let him go (never let him go)  
I will never let it show (never let it show)  
I will never let it show (never let it show)  
When I think I think about you  
When I walk I'm walking to you  
On the internet looking for you  
When I eat I just wanna eat you  
When I sleep I'm dreaming of you  
When I talk talk about you  
When I die I'll be dying for you  
What can I do? (What can I do) Alright I wanna meet man  
Wanna meet a good man  
Pillow soft heart, silky smooth on the loose  
International, clever, educational  
Calm like a king  
Keep the problems minimal  
He is double of the trouble if  
I tease him

Triple champion like a legend if  
I please him  
Trick him with a treat  
Do the rubbing on the back  
Throw the mist in  
Lie him down  
Then attackDo the oh oh  
Do the bites on the lips  
Turn around slow  
Do the things with the hips  
Throw your hair back  
Make it woosh like a whip  
Trick or treat tricks  
Make it trickle like tips  
Make him hot wings  
Make him eat 'til he rips  
Make him feel proud  
Make him float like ships  
Make him come home  
Don't make his mind trip  
Make him feel good  
Don't let the man slipI wanna meet man  
Wanna meet a good man  
Good man fight for girl  
Pretty good girl go make her man feeling good  
Make him lie down like a pretty girl should  
Heaven died and sun go gone  
Girl so sad  
Don't wanna be alone  
But sad girls cry and pretty girls don't  
Oh oh (Oh oh)I will never let him go (never let him go)  
I will never let him go (never let him go)  
I will never let it show (never let it show)  
I will never let it show (never let it show)When I think I think about you  
When I walk I'm walking to you  
On the internet looking for you  
When I eat I just wanna eat you  
When I sleep I'm dreaming of you  
When I talk talk talk about you  
When I die I'll be dying for you  
What can I do?Do the oh oh  
Do the bites on the lips  
Turn around slow  
Do the things with the hips  
Throw your hair back  
Make it woosh like a whip  
Trick or treat tricks  
Make it trickle like tips  
Make him hot wings

Make him eat 'til he rips  
Make him feel proud  
Make him float like ships  
Make him come home  
Don't make his mind trip  
Make him feel good  
Don't let the man slip I will never let him go (never let him go)  
I will never let him go (never let him go)  
I will never let it show (never let it show)  
I will never let it show (never let it show) When I think I think about you

When I eat I just wanna eat you  
When I sleep I'm dreaming of you  
When I talk talk talk about you  
When I die I'll be dying for you  
What can I do?
