Humble and Kind

Tim McGraw

You know there's a light that glows by the front door Don't forget the keys under the mat

Childhood stars shine

Always stay humble and kindGo to church cause your mama says to

Visit grandpa every chance that you can

It won't be a waste of time

Always stay humble and kindHold the door say please say thank you

Don't steal don't cheat and don't lie

I know you got moutains to climb but

Always stay humble and kind

When the dreams you're dreamin come to you

When the work you put in is realized

Let yourself feel the pride but

Always stay humble and kindDon't expect a free ride from no one

Don't hold a grudge or a chip and here's why

Bitterness keeps you from flying

Always stay humble and kindKnow the difference between sleeping with someone

And sleeping with someone you love

"I love you" ain't no pick up line so

Always stay humble and kindHold the door say please say thank you

Don't steal don't cheat and don't lie

I know you got mountains to climb but

Always stay humble and kind

When those dreams you're dreamin come to you

When the work you put in is realized

Let yourself feel the pride but

Always stay humble and kind

When it's hot eat a root beer popsicle

Shut off the A/C and roll the windows down

Let that summer sun shine

Always stay humble and kindDon't take for granted the love this life gives you

When you get where you're goin'

Don't forget turn back around

Help the next one in line

Always stay humble and kind
