## I'm Your Angel (with Celine Dion)

## R. Kelly

No mountain's too high for you to climb All you have to do is have some climbing faith, oh yeah No river's too wide for you to make it across All you have to do is believe it when you pray And then you will see the morning will come And every day will be bright as the sun All of your fears cast them on me I just want you to seeI'll be your cloud up in the sky I'll be your shoulder when you cry I hear your voices when you call me I am your angel And when all hope is gone, I'm here No matter how far you are, I'm near

It makes no difference who you are

I am your angel

I'm your angelI saw your teardrops and I heard you cry All you need is time seek me and you shall find You have everything and you're still lonely

It don't have to be this way

Let me show you a better day

And then you will see the morning will come

And all of your day will be bright as the sunAll of your fears cast them on me How can I make you seeI'll be your cloud up in the sky

I'll be your shoulder when you cry

I hear your voices when you call me

I am your angel

And when all hope is gone, I'm here No matter how far you are, I'm near It makes no difference who you are

I am your angel

I'm your angelAnd when it's time to face the storm

I'll be right by your side

Grace will keep us safe and warm

And I know we will survive

And when it seems as if your end is drawing near(The end is drawing near)

Don't you dare give up the fight

(Oh no)

Just put your trust beyond the skiesI'll be your cloud up in the sky I'll be your shoulder when you cry I hear your voices when you call meI am your angel And when all hope is gone, I'm here

No matter how far you are, I'm near

It makes no difference who you are
I am your angelI'll be your cloud up in the sky
I'll be your shoulder when you cryI hear your voices when you call me
I am your angel

And when all hope is gone, I'm here No matter how far you are, I'm near It makes no difference who you are I am your angel

I'll be your cloud up in the sky
I'll be your shoulder when you cry
I hear your voices when you call me
I am your angel
