HUNCHO JACK, Travis Scott & Quavo

Go, go (woo), go, go (go)
From the Nawf to the Mo (Mo), 500K just to host (five)
Go, go (yeah), go, go (go)
The neighbors too nosy, pack my bags and go (go)
Go, go (skrrt), go, go (skrrt)
Serve me a brick at the store (brick)
Lookin' like Shaq in the post (Shaq)
Go, go (yeah), go, go (go)
Go, go (yeah), go, go (go) Drive from the Hills to the Mo (yeah, yeah)
Yeah, baby at window, like don't go (alright)
In this world, everything slow mo (it's lit)
Get behind this wall, there is no photos (straight up)
Jump out this bitch (yeah) pogo, yeah (bounce)
Across my neck, yeah, logo
Watch how you pour an eighth, yeah, ocho
I need some more, it's late, yeah, pronto

You would think it's recreation (gas)
You already know we made it (made it)
We ain't even gotta say shit (no)
Some of the traps were licks (trap)
Some of the traps were vacant (vacant)
Junior Seau, bring the Bay out, bring the Bay out
Nigga want talk, we bring the K out, let the spray now

Invade your block, we stay on top, ain't nobody safe now

From the Nawf to the Mo (Mo) 500K just to host (five)
Go, go (yeah), go, go (go, wooh)
The neighbors too nosy, pack my bags and go (go)
