

Gettin Tho'd

Paul Wall

Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod

Take too long with my drink

Take too long with my drink

I will, Ill be getting money

Got that act right on that buddy

Gotta power up double cup

Yeah you know whats up

Hold up dont mind me Im getting money

Codeine got me leaning like a kick stand

Mixing up the drink pulling up the stink

Ill be getting back when they tell me getting thoud

Two cups two hand I call that a four

Riding with the throwaway hater I dont play

Swishing full of hate getting paid all everyday

Everyday Im rolling you can see it

Ill be getting thod

Ill be getting thod

Ill be getting thod

Ill be getting thod

Ill be getting thod

Ill be getting thod

Ill be getting thod

Ill be getting thod

Ill be getting thod

Ill be getting thod

Ill be getting thod

Ill be getting thod

Take too long with my drink

Take too long with my drink

Ok tell me where the waitress

Trying to get a tip need a cup in my hand

Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Ill be getting thod
Take too long with my drink
Take too long with my drink
