Slipknot

This song is not for the living
This song is for the dead...With my face
Against the floor
I can't see who knocked me outOf the wayI don't want
To get back upBut I have to,
So it might as well be today
Nothing appeals to me,
No one feels like me
I'm too busy being
Calm to disappear
I'm in no shape
To be alone
Contrary to the shit
That you might hear
So
Walk
With Me
Walk
With me
Don't let this symbolism
Kill your heart
Walk
With me
Walk
With me
Just like we should've done
Right from the start
Walk
With me
Walk
With me
Don't let this fucking world
Tear you apart
