

# Electric Candyman (feat. Thom Yorke)

## Flying Lotus

say my name, say my name  
Say my name, say my name  
Say my name, say my name On the glass field, where there's cobwebs  
In the building comes the colors Look into the mirror and  
Look into the mirror and Say my name, say my name  
Say my name, say my name  
Say my name, say my name  
He's adopted like a baby  
He is peaceful, how I be Say my name  
Say my name, say my name  
Say my name, say my name Look into the mirror and  
Look into the mirror and  
Blue skies to the harbor Say my name, say my name  
Say my name, say my name  
Look into the mirror and
