

The Love

Kiesza

This is the love,
Something you can feel but you can't define
Can't get enough, and I don't wanna leave what we can't rewind
This is the love,
Something you can feel but you can't define
Can't get enough, and I don't wanna leave what we can't rewind
Eh-eh-eh yeah Eh-eh-eh yeah baby baby
Eh-eh-eh yeah Eh-eh-eh yeah baby baby I'm so close to take you far away,
I don't know the way to feel this again,
Oh, my eyes closed, you make my heart awake
I just know that you're one hell of a love
Woah-oh, oh-woah-oh, shadows on the ceilin'
Woah-oh, oh-woah-oh, can't ignore it This is the love,
Something you can feel but you can't define
Can't get enough, and I don't wanna leave what we can't rewind
This is the love,
Something you can feel but you can't define
Can't get enough, and I don't wanna leave what we can't rewind
Eh-eh-eh yeah Eh-eh-eh yeah baby baby
Eh-eh-eh yeah Eh-eh-eh yeah baby baby I don't want to waste another day
Off my toes, don't think I never wanna land
I feel you in every single way
I just know that you're one hell of a love Woah-oh, oh-woah-oh, shadows on the ceilin'
Woah-oh, oh-woah-oh, can't ignore it
Oh, when you hold me you give me something
And it feels so good, ye-yeah
Oh, when you're holding me
You're giving me something no one could
This is the love,
Something you can feel but you can't define
Can't get enough, and I don't wanna leave what we can't rewind
This is the love,
Something you can feel but you can't define
Can't get enough, and I don't wanna leave what we can't rewind
