

# For What It's Worth

## Stevie Nicks

Fly boy yeah right  
Hey mamma they call me Wheezy  
You should be with me I gotta pocket full of reasons  
Baby I can bless you when you ain't even sneezing  
I be at your rescue when you don't even need me  
I can have you dreaming when you ain't even sleeping  
Mamma I can help you get off like the weekend  
She said she wanna do it to the new Enrique  
I pop the disc in and put the song on replay  
And then she backed it up like replay When you need me  
Girl I try to hide it  
But I can't escape it oh baby  
Please forgive me  
When I think of you my thoughts are so x-rated oh baby  
Baby I don't give a damn  
I know that your man's no where insight oh oh  
And your eyes don't tell a lie  
I know you wanna come with me tonight  
And I say you're right  
But first you gotta Push push back upon it (girl)  
Make me believe you want it  
Push push back upon it (girl)  
Girl I can't go on longing  
Push push back upon it (girl)  
Go ahead lay it on it (Don't stop)  
Don't stop until the morning (girl)  
Just keep pushing back on it Do you want me (You know it)  
Do you need me (You know it)  
Will you please me (You know it)  
Will you tease me (You know it)  
Baby I,  
I'm the kinda guy that don't get real excited (oh baby)  
When you have,  
When you have your private party I hope that I'm invited (oh baby) Baby I don't give a damn  
I know that your mans no where in sight whoa  
(what your man gotta do with me, tell me)  
And your eyes don't tell a lie  
I know you wanna come with me tonight  
And I say alright  
But first you gotta Push push back upon it (girl)  
Make me believe you want it  
Push push back upon it (girl)

Girl I can't go on longing  
Push push back upon it (girl)  
Go ahead lay it on it (Don't stop)  
Don't stop until the morning (girl)  
Just keep pushing back on it Now after you back it up just stop  
Now drop it like its hot, and pop it like a glock  
And stop it like a watch, now move it like clockwork  
Your body is screaming and your booty is an outburst  
She wanna do it do it with no delay  
I told her I can run it run it just like relay  
'cause I'm cool, just like the breeze way  
Now push it like salt and P-E-P-P-A Push push back upon it (girl)  
Make me believe you want it  
Push push back upon it (girl)  
Girl I can't go on longing  
Push push back upon it (girl)  
Go ahead lay it on it (Don't stop)  
Don't stop until the morning (girl)  
Just keep pushing back on it Push push back upon it (girl)  
Make me believe you want it  
Push push back upon it (girl)  
Girl I can't go on longing  
Push push back upon it (girl)  
Go ahead lay it on it (Don't stop)  
Don't stop until the morning (girl)  
Just keep pushing back on it Push push back upon it (girl)  
Make me believe you want it  
Push push back upon it (girl)  
Girl I can't go on longing  
Push push back upon it (girl)  
Go ahead lay it on it (Don't stop)  
Don't stop until the morning (girl)  
Just keep pushing back on it Push push (girl) (Mr Morales)  
Push push (girl)  
Push push (girl)
