

The Other Side

Ambrosia Parsley

Can't quiet my head
In this little bed
In this place on Republic
I'm not used to him
Not being on the other side of the wall
My matches are wet
Who'll open the bottles
Remember when you were just right up the hall
One went on, on the market
One got lost at home
One's been feeding the beast
Who'll watch my right shoulder
Break our fall, let it get colder
Don't paint the devil on the wall
On the wall
Oh no, copy paste again, I'm always on the run forever
One went on the market
One got lost at home
One has been released
Who'll watch my right shoulder
Break our fall, let it get colder
Don't paint the devil on the wall
On the wall, on the wall, on the wall
