

No Man No Cry

Oliver Koletzki

Mi-mi-mi-mister buster
Know-know you're very bad
My mama's -?-
My mama must be mad
I li-li-like to like you
Your la-la-lazy line
Baby I'm under pressure
Under p-pressure, I No man
No man no cry
No man
No man no cry
No man
No man no cry
My love don't love nobody
No-nobody, my
But baby when you're gone gone
La-la-la-leave a line
Na na na no man no cry
Ha-ha-happy timed
And baby when you're gone gone
Pa-pa-pa-piece of mine
Guess he my mama must be
My, my lucky star
And when nobody's watching
Ta-ta-ta-ta-ta-ta
My love don't love nobody
No-nobody, my
No man and -?-
No man no cry
No man
No man no cry
No man
No man no cry
No man
No man no cry
