

# Rocking Horse

## The Dead Weather

I drank some dirty water  
Shook evil hands  
I've done some bad things  
And they get easier to do  
And then I wrote a nasty letter  
And I sent it to the Lord  
I said don't you dare come  
And bother me no more  
Oh, oh, oh, oh  
I had a good friend  
I could only destroy  
And lovers I loved less  
Than anybody could afford  
Yes, but this old rocking horse  
Just nods his head  
And he's gonna rock back and forth  
The way that he always did  
Oh, oh, oh, oh  
Baby don't you bother  
Tasting the water  
And baby don't you bother  
Coming closer to me  
Yes, you see my eyes  
They're half the size  
And I'm not able  
To look at you, no, no  
Oh, oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh
