

# The First Time Ever I Saw Your Face

[Leona Lewis](#)

The first time ever I saw your face  
I thought the sun rose in your eyes  
And the moon and the stars were the gifts you gave  
To the dark and the empty skies And the first time ever I kissed your mouth  
I felt the earth move in my hands  
Like the trembling heart of a captive bird  
That must stay at my command, my love And the first time ever I lay with you  
I felt your heart so close to mine  
And I knew our joy would fill the Earth  
And last and last and last  
'til the end of time, my love  
The first time ever I saw your face, your face  
Your face, your face
