The Fire (feat. John Legend)

The Roots

Ohh, the fire, the fire
Ohh, the fire, the fireThere's something in your heart
And it's in your eyes
It's the fire, inside you
Let it burnYou don't say good luck
You say, "Don't give up"
It's the fire, inside you

Let it burnYeah, and if I'm ever at the crossroads And start feeling mixed signals like Morse code My soul start to grow colder than the North Pole I try to focus on the hole of where the torch goes In the tradition of these legendary sports pros As far as I can see, I've made it to the threshold Lord knows I've waited for this a lifetime

And I'm an icon when I let my light shineShine bright as an example of a champion Taking the advantage, never copping out or cancelling

Burn like a chariot, learn how to carry it

Maverick, always above and beyond averageFuel to the flame that I train with and travel with Something in my eyes say I'm so close to having the prize

I realize I'm supposed to reach for the skies Never let somebody try to tell you otherwiseThere's something in your heart

And it's in your eyes
It's the fire, inside you
Let it burn
You don't say good luck

You say, "Don't give up"

It's the fire, inside you

Let it burnOne love, one game, one desire One flame, one bonfire, let it burn higher I never show signs of fatigue or turn tired

'Cause I'm the definition of tragedy turned triumphIt's David and Goliath, I made it to the eye of the storm

Feeling torn like they fed me to the lions

Before my time start to wind down like the Mayans

I show 'em how I got the grind down like a scienceIt sounds like a riot on hush, it's so quiet

The only thing I hear is my heart, I'm inspired

By the challenge that I find myself standing eye to eye with

Then move like a wise warrior and not a cowardYou can't escape the history that you was meant to make

That's why the highest victory is what I'm meant to take
You came to celebrate, I came to sever great
I hate losing, I refuse to make the same mistakeOhh, the fire, the fire

Ohh

There's something in your heart (The fire) There's something in your heart (The fire) There's something in your heart And it's in your eyes It's the fire, inside you Let it burn You don't say good luck You say, "Don't give up" It's the fire, inside you Let it burn Ohh, the fire inside you The fire inside you The fire inside you The fire inside you
