

# Kickstarts (Radio Edit)

## Example

You want me to come over I got an excuse  
Might be holding your hand, but I'm holding it loose  
Go to talk then we choke its like our necks in a noose  
Avoid the obvious we should be facing the truth Start to think it could be fizzling out  
Kinda shocked because I never really had any doubts  
Look into your eyes imagine life with out ya And the love kick starts again  
Starts again And the Love kick starts again  
Starts again  
It's the same old you the same old me  
You get bored and I get cold feet  
Get high get wandering eyes  
Forget I've never ever had it so sweet  
I realize what I got when I'm out of town  
Cause deep down you're my girl in a golden crown  
My princess and I don't wanna let you down  
No, I don't wanna let you down, down, down, down You want me to come over I got an excuse  
Might be holding your hand but I'm holding it loose  
Go to talk then we choke it's like our necks in a noose  
Avoid the obvious we should be facing the truth Start to think it could be fizzling out  
Kinda shocked because I never really had any doubts  
Look into your eyes imagine life with out ya Kick starts again  
Start to think it could be fizzling out  
Kinda shocked because I never really had any doubts  
Look into your eyes imagine life with out ya  
Imagine life with out ya  
Imagine life with out ya  
Imagine life with out ya And the love kick starts again  
Starts again And the love kick starts again  
Starts again Kick kick starts It's the same old you the same old me  
You get bored and I get cold feet  
Get high get wandering eyes  
Forget I've never ever had it so sweet  
I realize what I got when I'm out of town  
Cause deep down you're my girl in a golden crown  
My princess and I don't wanna let you down Kick kick starts Start to think it could be fizzling out  
Kinda shocked because I never really had any doubts  
Look into your eyes imagine life with out ya And the love kick starts again
