

# Lonely Girl

Charles Kelley

What's the matter?  
You used to be so in love  
Now you're crying  
He wasn't everything you dreamed of  
I gotta tell you  
He really wasn't ever good enough for you  
Lonely girl, you're the only girl for me  
Can't you see?  
When you're all alone, put this record on in your room  
Oh, and you won't be lonely  
You won't be lonely, girl  
Ooh, yeah  
Don't you worry  
I'm never gonna let you down  
When you need me, I'm always gonna be around  
Close your eyes  
I'll take your body anywhere it wants to go  
Lonely girl, you're the only girl for me  
Can't you see?  
When you're all alone, put this record on in your room  
Oh, and you won't be lonely  
You won't be lonely, girl  
Lonely girl  
Ooh, lonely girl  
Lonely girl  
Just you and me  
And the sound of your heartbeat's rhythm  
Just you and me  
And the sound of your heartbeat's rhythm  
Lonely girl, you're the only girl for me  
Can't you see?  
When you're all alone, put this record on in your room  
Oh, and you won't be lonely  
You won't be lonely, girl
