

Heaven for the Sinner (feat. Erykah Badu)

Bonobo

We don't need no truth, got plenty
Now it grows on trees
God I'm glad it's not a race, I'd lose
There's no saint and there's no sinner
Done more dirt than me
Another one can do more right than me
I need to find a paradise for me (Erykah Badu)
When you want it
We just ask it
God is ready, but you don't wanna
No one tell me, heaven's waiting
For the sinner
God is waiting, when you're ready
World keeps turning
Shine on light No one tell me, heaven's waiting
For the sinner
God is waiting, when you're ready
When we want it
We just ask it
God is Ready, when you're ready
But you don't wanna
God is ready
Someone tell me, heaven's waiting
For the sinner
God is waiting, when you're ready Someone tell me, heaven's waiting
For the sinner
God is waiting, when you're ready
