

Love Missile F1-11

Sigue Sigue Sputnik

US bombs cruisin' overhead
There goes my love rocket red
Shoot it up
Shoot it upBlaster bomb bomb bomb ahead
Multi Millions still unfed
Amondo teeno givin' head
Shoot it up
Shoot it upHold me, shake me, I'm all shook up
Psycho maniac, interbred, shoot it up
Now, shoot it upShoot it up
Shoot it up
Shoot it up
Teenage crime now fashion's dead
Shoot it up
There goes my love rocket red
Shoot it up
Shoot it up
Shoot it up
Shoot it up
Shoot it up
