

Finders Keepers (feat. Kojo Funds)

Mabel

Yeah
Yo yo yo yo
Mabel, uhMama, don't run away
You know I got it, I know you want it
I'm a full call away
on my mind
I know that you wanna stay
Let me take you to space
I can smell you from miles away
Wanna see you in lingerie
Oh yeah yeah yeah yeah
You've got it, I want it
When I'm willing to put my all in
Wanna see you in the mornings
It should be me that you're callin'
You've got it, I want it
When I'm willing to put my all in
Wanna see you in the mornings
It should be me that you're callin'
Put your arms all around it
Take it now that you've found it
It don't need to be no deeper
It's finders keepers
Put your arms all around it
Take it now that you've found it
It don't need to be no deeper
It's finders keepers
It's finders keepers
It's finders keepers
It don't need to be no deeper
It's finders keepersI got what you want
Let me
I got what you want
Let me
I got what you want 'cause I got you
I don't need miracles from ya'
Stop going all digital on me
Don't feel like you need to try and love me
'Cause I don't need a spiritual journeyBoy, why you living in fear?
You don't live around here
Let's make use of the timing
These are the ends I stay

I don't plan on coming your way
Let's make use of the timing Put your arms all around it
Take it now that you've found it
It don't need to be no deeper
It's finders keepers
Put your arms all around it
Take it now that you've found it
It don't need to be no deeper
It's finders keepers
It's finders keepers
It's finders keepers
It don't need to be no deeper
It's finders keepers I got what you want
Let me
I got what you want
Let me
I got what you want 'cause I got you I don't need miracles from ya'
So let's keep the talk minimal
a criminal for me, don't want ya',
right here, right now
They say it's all chemical Boy, why you living in fear?
You don't live around here
Let's make use of the timing
No I don't mind if you take me home
Didn't come here to leave on my own
Let's make use of the timing Put your arms all around it
Take it now that you've found it
It don't need to be no deeper
It's finders keepers
Put your arms all around it
Take it now that you've found it
It don't need to be no deeper
It's finders keepers
It's finders keepers
It's finders keepers
It don't need to be no deeper
It's finders keepers I got what you want
Let me
I got what you want
Let me
I got what you want 'cause I got you
