

# Say a Prayer

Taylor Dayne

Say a little prayer for you'  
Say a little prayer for you  
Well, I remember when  
You were my only friend  
You took the time  
When on one else cared  
You gave love endlessly  
And then you proved to me  
No matter what  
You'd always be there  
And now I understand  
Just how life's little plan  
Can make it rough to say 'forever'  
But you've been there for me  
So that's my guarantee  
That we will always be together  
When I have sleepless nights  
That's when you hold me tight  
You do it right  
I say a little prayer for you  
And when my dreams are through  
I only think of you  
Cause you do it right  
I'll say a little prayer for you  
We've had good times that's true  
We've had our bad times too  
But through it all  
It makes us stronger  
We'll have to build our trust  
Because it means too much  
To give away to any other  
And now I understand  
Just how life's little plan  
Can make it rough to say 'forever'  
But you've been there for me  
So that's my guarantee  
That we always be together  
Chorus  
I say a little prayer for you  
Alright  
Come on  
Say it, say it, say it, say it, say it

Alright  
Say a prayer  
Alright  
Come on  
I'll say a little prayer for you  
Say it  
Come on  
I'm prayin'  
I'll say a little payer for you  
And now I understand  
Just how life's little plan  
Can make it rough to say 'forever'  
But you've been there for me  
So that's my guarantee  
That we will always be together  
I say a little prayer for you  
I will  
Say a little prayer for you  
Chorus  
So far away'  
Chorus  
My baby  
My love
