Sugar
Hey, I've got a mouth full of cavities
Sweet tooth, full of mama, like sugar to me
So my love with the lips, put a bug in the ear tone
Shawty gotta kiss, it's an emergency
Spit sprung for the taste, addicted to her gloss
Won't smile this way, baby I rub it off
Put my tongue in your face
A little mistletoe, sippin' Gram I A
I'm a fan all day
Do me that favor, cuz I like your flavor
My manage behavior; I'm into your major
Sweeter so flavor, that's good for this player
My hood, now and later, throw back like a pager
Pretty much, you're givin' me a sugar rushLil mama, give me high blood pressure when you
blush
Lips feel soft as a feather when we touch,
