## Avenged Sevenfold

Now I think I understand  
How this world can overcome a man  
Like a friend we saw it through  
In the end I gave my life for you Gave you all I had to give  
Found a place for me to rest my head  
While I may be hard to find  
Heard there's peace just on the other side Not that I could  
Or that I would  
Let it burn  
Under my skin  
Let it burn  
Left this life to set me free  
Took a piece of you inside of me  
All this hurt can finally fade  
Promise me you'll never feel afraid Not that I could  
Or that I would  
Let it burn  
Under my skin  
Let it burn I hope it's worth it, here on the highway, yeah  
I know you'll find your own way  
When I'm not with you  
So tell everybody, the ones who walk beside me, yeah  
I hope you find your own way  
When I'm not with you tonight  
I hope it's worth it, what's left behind me, yeah  
I know you'll find your own way  
When I'm not with you  
So tell everybody, the ones who walk beside me, yeah  
I know you'll find your own way  
When I'm not with you tonight
