

You'll Never Know (feat. Renée Fleming)

Alexandre Desplat

You'll never know just how much I miss you
You'll never know just how much I care
And if I tried I still couldn't hide my love for you
You ought to know, for haven't I told you so
A million or more times?
You went away and my heart went with you
I speak your name in my every prayer
If there is some other way to prove that I love you
I swear I don't know how
You'll never know if you don't know now
You'll never know just how much I miss you
You'll never know just how much I care
And if I tried
I still couldn't hide my love for you
You'll never know just how much I miss you
You'll never know just how much I care
You said good-bye, no stars in the sky refuse to shine
Take it from me, it's no fun to be alone
With moonlight and memories
You went away and my heart went with you
I speak your name in my every prayer
If there is some other way to prove that I love you
I swear I don't know how
You'll never know if you don't know now
