

# I Won't Need You Anymore

Randy Travis

You're my always and forever  
You're the one that hung the moon  
After all these nights together  
I still get lost in your perfume  
And if I could write a love song  
Every line would tell the truth  
It would be a warm and soft one  
And my heart would say to you  
CHORUS:  
When you see me walk on water  
When the sea don't reach the shore  
When the fires of hell freeze over  
I won't need you anymore  
Oh the feelings lay so easy  
Lying here the way we are  
No one else could ever hold me  
Like the heavens hold the stars  
CHORUS:  
When you see me walk on water  
When the sea don't reach the shore  
When the fires of hell freeze over  
I won't need you anymore  
I won't need you anymore
