

# I Love New York

## Madonna

I don't like cities  
But I like New York.  
Other places  
Make me feel like a dork.  
Los Angeles is for  
People who sleep.  
Paris and LondonBaby, you can keep...Other cities always make me mad  
Other places always make me sad  
No other city ever made glad  
Except like New York.  
I love New York...  
If you don't like my attitude  
Then you can f off.  
Just go to Texas  
Isn't there where they golf?  
New York is not for little pussies who scream.  
If you can't stand the heatThen get off my street...  
Other cities always make me mad  
Other places always make me sad  
No other city ever made me glad  
Except New York...  
I love New York...I love New York (Get off of my street)...Then get off my street...
