

Crown of Love

Arcade Fire

They say it fades
if you let it
love was made
to forget it. I carved your name
across my eyelids
you pray for rain
I pray for blindness. If you still want me, please forgive me the crown of love is fallen from me.
If you still want me, please forgive me
because the spark is not within me.
I snuffed it out
before my mom walked in my bedroom.
The only thing
that you keep changin'
is your name, my love keeps growin' still the same,
just like a cancer
and you won't
give me a straight answer! If you still want me, please forgive me
the crown of love has fallen from me.
If you still want me please forgive me
because your hands are not upon me.
I shrugged them off before my mom walked
in my bedroom.
The pains of love,
and they keep growin'
in my heart there's flowers growin'
on the grave of our old love
since you gave me a straight answer.
If you still want me, please forgive me
the crown of love is not upon me
If you still want me, please forgive me
cause the spark is not within me.
it's not within me, it's not within me.
You gotta be the one
you gotta be the way
your name is the only word that I can say
You gotta be the one
you gotta be the way
your name is the only word
the only word that I can say
