If you still want me, please forgive methe crown of love is fallen from me. If you still want me, please forgive me because the spark is not within me. I snuffed it out before my mom walked in my bedroom. The only thing that you keep changin' is your name, my love keeps growin's till the same, just like a cancer and you won't give me a straight answer! If you still want me, please forgive me the crown of love has fallen from me. If you still want me please forgive me because your hands are not upon me. I shrugged them offbefore my mom walked in my bedroom. The pains of love, and they keep growin' in my heart there's flowers growin' on the grave of our old love since you gave me a straight answer. If you still want me, please forgive me the crown of love is not upon me If you still want me, please forgive me cause the spark is not within me. it's not within me, it's not within me.
