If I Die Tomorrow

Florida Georgia Line

I wake up to find myself After all these years And where all the time has gone Still seems so unclear 'Cause there's no one else Since I found you I know it's been so hard You should knowIf I die tomorrow As the minutes fade away I can't remember Have I said all I can say? You're my everything You make me feel so alive If I die tomorrow It brings out the worst in me When you're not around I miss the sound of your voice The silence seems so loud 'Cause there's no one else Since I found you I know it's been so hard You should knowIf I die tomorrow As the minutes fade away I can't remember Have I said all I can say? You're my everything You make me feel so alive If I die tomorrow I spent all my life Looking for our innocence I've got nothing to lose One thing to prove I won't make the same mistakes Now I know That everything will be ok When I die tomorrowIf I die tomorrow As the minutes fade away I can't remember Have I said all I can say? You're my everything You make me feel so alive If I die tomorrow
