

# Two Hearts

[Phil Collins](#)

Well, there was no reason to believe shed always be there  
But if you dont put faith in what you believe in  
Its getting you nowhere  
Cos it hurts, you never let go  
Dont look down, just look up  
Cos shes always there to behind you, just to remind you  
Two hearts, believing in just one mind  
You know were two hearts believing in just one mind  
Cos theres no easy way to, to understand it  
Theres so much of my life in her, and its like Im blinded  
And it teaches you to never let go  
Theres so much love youll never know  
She can reach you no matter how far  
Wherever you are  
Two hearts, believing in just one mind  
Beating together till the end of time  
You know were two hearts believing in just one mind  
Together forever till the end of time  
She knows (she knows)  
Therell always be a special place in my heart for her  
She knows, she knows, she knows  
Yeah, she knows (she knows)  
No matter how far apart we are  
She knows, Im always right there beside her  
Two hearts, believing in just one mind  
Beating together till the end of time  
You know were two hearts believing in just one mind  
Together forever till the end of time  
You know were two hearts believing in just one mind  
You know were two hearts believing in just one mind
