

Secret Heart

Feist

Secret heart
What are you made of
What are you so afraid of
Could it be
Three simple words
Or the fear of being overheard
What's wrong Let him in on your secret heart Secret heart
Why so mysterious
Why so sacred
Why so serious
Maybe you're
Just acting tough
Maybe you're just not man enough
What's wrong
Let him in on your secret heart This very secret
That you're trying to conceal
Is the very same one
That you're dying to reveal
Go tell him how you feel Secret heart
Come out and share it
This loneliness
Few can bear it
Could it have
Something to do with
Admitting that you just can't go through it alone Let him in on your secret heart
This very secret
That you're trying to conceal
Is the very same one
That you're dying to reveal
Go tell him how you feel
This very secret heart Go out and share it
This very secret heart
