

# Secret Heart

Feist

Secret heart  
What are you made of  
What are you so afraid of  
Could it be  
Three simple words  
Or the fear of being overheard  
What's wrong Let him in on your secret heart Secret heart  
Why so mysterious  
Why so sacred  
Why so serious  
Maybe you're  
Just acting tough  
Maybe you're just not man enough  
What's wrong  
Let him in on your secret heart This very secret  
That you're trying to conceal  
Is the very same one  
That you're dying to reveal  
Go tell him how you feel Secret heart  
Come out and share it  
This loneliness  
Few can bear it  
Could it have  
Something to do with  
Admitting that you just can't go through it alone Let him in on your secret heart  
This very secret  
That you're trying to conceal  
Is the very same one  
That you're dying to reveal  
Go tell him how you feel  
This very secret heart Go out and share it  
This very secret heart
