

# Sure Be Cool If You Did

Blake Shelton

I was gonna keep it real like chill like only have a drink or two  
But it turned into a party when I started talking to you  
Now you're standing in the neon looking like a high I wanna be on  
Baby it's your call, no pressure at all You don't have to throw back your pretty pink lemonade  
shooter

And lean a little closer  
You don't have to keep on smiling that smile that's driving me wild  
And when the night is almost over  
Meet me in the middle of a moonlit Chevy bench seat  
And do a little bit of country song, hanging on  
You don't have to keep me falling like this  
But it'd sure be cool if you did  
You can't shoot me down cause you've already knocked me dead  
Got me falling apart with my heart talking out of my head  
Let your mind take a little back road just as far as you wanna go  
Baby, I'll do, whatever you wanna do, wanna do You don't have to throw back your pretty pink  
lemonade shooter

And lean a little closer  
You don't have to keep on smiling that smile that's driving me wild  
And when the night is almost over  
Meet me in the middle of a moonlit Chevy bench seat  
And do a little bit of country song, hanging on  
You don't have to keep me falling like this  
But it'd sure be cool if you did Have a night that you'll never forget  
And now you're standing in the neon  
looking like a high I wanna be on  
You don't have to throw back your pretty pink lemonade shooter  
And lean a little closer

You don't have to keep on smiling that smile that's driving me wild  
And when the night is almost over  
Meet me in the middle of a moonlit Chevy bench seat  
And do a little bit of country song, hanging on  
You don't have to keep me falling like this  
But it'd sure be cool if you did  
Yeah, it'd sure be cool if you did
