

# House

Patrick Wolf

Oh, I love this house, I love this house  
Gives me the greatest peace I've ever known  
Oh, I love to hear those conkers fall  
Smash 'em on an Southwark stone And I love that here you live with me  
Gives me the greatest peace I've ever known  
'Cause I've been too long a lonely man  
Yes, I've been too long a rolling stone So let seasons turn  
Grow paradise garden  
And to my migration  
The native has returned  
Oh, I love the curling of your hair  
Gives me the greatest peace I've ever known  
I see Dylan Thomas in your face  
Recited Butler Yeats there in your grace  
Your grace, your grace So let seasons turn  
Grow paradise garden  
And to my migration  
The native has returned Returned  
Returned And if I had to die today  
Scatter my ashes on this place  
And I live on in your grieving heart  
But until that day that we depart  
Oh, this is the greatest peace I've ever known  
Oh, the greatest peace I've ever known  
Oh, the greatest peace I've ever known  
Only love makes house a home Home  
Home  
Home  
This house is home
