## Suburbia

## **Pet Shop Boys**

Lost in the high street, where the dogs run roaming suburban boys Mother's got her hairdo to be doneShe says they're too old for toys Stood by the bus stop with a felt pen in this suburban hell and in the distance a police car to break the suburban spell Let's take a ride and run with the dogs tonight in suburbiaYou can't hide Run with the dogs tonight in suburbia Break the window by the town hall Listen! A siren screams there in the distance like a roll call of all the suburban dreams Let's take a ride and run with the dogs tonightin suburbia You can't hide

I only wanted something else to do but hang around
I only wanted something else to do but hang aroundIt's on the front page of the papers
This is their hour of needWhere's a policeman when you need one

run with the dogs tonight in suburbia

to blame the colour TV?

Let's take a ride
and run with the dogs tonight
in suburbia
You can't hide
run with the dogs tonight
in suburbia
in suburbia
run with the dogs tonight
you can't hide
run with the dogs tonight
you can't hide
in suburbia
