All that I've known to be of life  
And I am gentle  
You ran off with it all  
And I am faithful All that I felt within my arms  
And I am weightless  
You ran off with it all  
And I am speechless All that I said to get it right  
And I am confident  
You ran off with it all  
And I am steadfast All that I thought to be precise  
And I am consequence  
You ran off with it all  
And I am sorry  
And I am sorry  
All that I've known to be at peace  
And I am desperate  
You ran off with it all  
And I am restless All that I've known to be of love  
And I am gentle  
You ran off with it all  
And I am desperate All that I dream  
Where do you run, where do you run to?  
And I am evidence All that I dream  
Where do you run, where do you run to?  
And I am faithless All that I dream  
Where do you run, where do you run to?  
Now I am messed up  
All that I dream  
Where do you run, where do you run to?  
Carrier, friend  
Where do you run?
