

# Make Me (Cry) [feat. Labrinth]

Noah Cyrus

I never needed you like I do right now  
I never needed you like I do right now  
I never hated you like I do right now  
(Cause all you ever do is make me)  
Gave you up 'bout 21 times  
Felt those lips tell me 21 lies (yeah)  
You'll be the death of me  
Sage advice  
But, lovin' you could make Jesus cry  
When I hear you sayin', "Darlin'  
Your kiss is like an antidote"  
I'm fightin' like I'm Ali  
But you got me on the ropes  
I never needed you like I do right now  
I never needed you like I do right now  
I never hated you like I do right now  
Cause all you ever do is make me...Couldn't hear the thunder  
But I heard your heart race  
Couldn't see the rain  
We're too busy makin' hurricanes (yeah)  
Love ain't easy when it ain't my way  
But it gets hard, when you ain't here makin' me crazy  
Baby, say the word, darlin'  
You know just how to hold the sucker down  
So I'll see you in the morning  
I can't watch you walk out  
I never needed you like I do right now  
I never needed you like I do right now  
I never hated you like I do right now  
Cause all you ever do is make me  
WhooHooH  
WhooHooH Hoo  
WhooHooH  
WhooHooH HooSing it baby  
You keep on makin' me cry  
Sing it baby  
Eh no no  
YeahSing it baby yeah  
You keep on makin' me cry  
Sing it baby yeah no no  
YeahI never needed you like I do right now  
I never needed you like I do right now  
I never hated you like I do right now

Cause all you ever do is make me
