

Hello

Adele

Hello, it's me
I was wondering if after all these years you'd like to meet
To go over everything
They say that time's supposed to heal ya
But I ain't done much healingHello, can you hear me?
I'm in California dreaming about who we used to be
When we were younger and free
I've forgotten how it felt before the world fell at our feetThere's such a difference between us
And a million milesHello from the other side
I must've called a thousand times
To tell you I'm sorry for everything that I've done
But when I call, you never seem to be home
Hello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymoreHello, how are you?
It's so typical of me to talk about myself, I'm sorry
I hope that you're well
Did you ever make it out of that town where nothing ever happened?It's no secret that the both
of us are running out of timeSo hello from the other side
I must've called a thousand times
To tell you I'm sorry for everything that I've done
But when I call, you never seem to be homeHello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
Ooooooh, anymore
Ooooooh, anymore
Ooooooh, anymore
AnymoreHello from the other side
I must've called a thousand times
To tell you I'm sorry for everything that I've done
But when I call, you never seem to be homeHello from the outside
At least I can say that I've tried
To tell you I'm sorry for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore
