

# Special Pets

## Otep

When you scream, it sounds like a lullaby  
When you beg, I get all gooey inside  
Tonight I take your eyes, mind and tongue  
To spread the word and watch your kingdom come  
Another night with you, another wound  
You keep me in stitches, you tear me to pieces  
I need new voices in my head to speak my secret  
evils with  
I need new lovers in my bed to be my friends and special pets  
I need your scent all over me  
I need to taste your blasphemy  
I need to know with certainty that the nectar was worth the squeeze  
It's just the way that we are  
diseased  
It's the blade that stains us  
It's the sweetest disease  
It's so contagious  
It's just the way that we are diseased  
It's the blade that stains us  
It's the sweetest disease  
It's so contagious  
Once upon a time  
I ripped the wings from my spine  
But when I hide inside your eyes  
I still pretend that I can fly  
Tell me every secret  
So you can fall in love  
Then to fall to pieces  
I need new voices in my head, a new disguise for me to hide  
I need new lovers in my bed to feed my secret appetites  
I need your sins all over me  
I need to taste this tragedy  
I need to know with certainty the nectar was worth the squeeze  
It's just the way that we are diseased  
It's the blade that stains us  
It's the sweetest disease  
It's so contagious  
It's just the way that we are diseased  
It's the blade that stains us  
It's the sweetest disease  
It's so contagious  
I'm looking for a friend in my head  
(It's just a game we play in the dark)  
When you scream, it sounds like a lullaby  
When you beg, I get all gooey inside  
Tonight I take your eyes and tongue  
To spread the word and watch you cum  
You keep me in stitches, you tear me to pieces  
It's just the way we are diseased  
It's the blade that stains us  
It's the sweetest disease

It's so contagious
