

# Back Where I Belong (feat. Avicii)

## Otto Knows

Step off the train at dawn  
Back in the place where I was born  
And it's been ten years since I've been gone  
It took me ten years to know I'm wrong I've been everywhere, and nothing is new  
And I've done everything I've set out to do  
I'm nothing without you,  
Without you I'm nothing at all Now I'm back where I belong  
No matter where I'm from  
It's been here all along  
I've finally made it home  
Don't know the price of time  
Until you know what life can buy  
You know I hope the world's been kind  
Hope you can see it in my eyes That I've been everywhere, and nothing is new  
And I've done everything I've set out to do  
I'm nothing without you  
Without you I'm nothing at all I'm back where I belong  
No matter where I'm from  
It's been here all along  
I've finally made it home  
I've finally made it home  
I'm back where I belong  
No matter where I'm from  
It's been here all along  
I've finally made it home
