

Fire Never Sleeps

Audio Adrenaline

I feel the heat is rising
The flames of my horizon are at my door
I'm staring at the ruins the embers of the brokenness
Are scattered on the floor His Fire never sleeps, His Fire never sleeps I see that hope is coming
So pull me from the ashes, ignite my soul
Please burn away the darkness, His love is like a furnace
Where fire never sleeps
Burn all my soul, set me on fire
Burn all my soul, light up my fire, Burn all my soul Stop, I never want to miss You,
something new is being born
And we were born for this
Lord, we know our day is coming
When we look into Your eyes
And see a Fire never sleeps
The fire never sleeps, the fire never sleeps
Burn all my soul, set me on fire
Burn all my soul, light up the fire, Burn all my soul Your Fire never sleeps, Your Fire never
sleeps Purify my heart, purify my heart
Spirit fall on us, Spirit fall on us
