## The Enemy Within (Part I of Fear)

## Rush

Things crawl in the darkness
That imagination spins
Needles at your nerve ends
Crawl like spiders on your skinPounding in your temples
And a surge of adrenaline

Every muscle tense to fence the enemy withinI'm not giving in to security under pressure I'm not missing out on the promise of adventure

I'm not giving up on implausible dreams

Experience to extremes

Experience to extremes...

Suspicious looking stranger

Flashes you a dangerous grin

Shadows across your window...

Was it only trees in the wind? Every breath a static charge

A tongue that tastes like tin

Steely-eyed outside to hide the enemy withinTo you, is it movement or is it action?

Is it contact or just reaction?

And you... revolution or just resistance?

Is it living, or just existence?

Yeah, you! It takes a little more persistence

To get up and go the distance

I'm not giving in to security under pressure

I'm not missing out on the promise of adventure

I'm not giving up on implausible dreams

Experience to extremes

Experience to extremes...
